

Market Tracker - Data Downloader

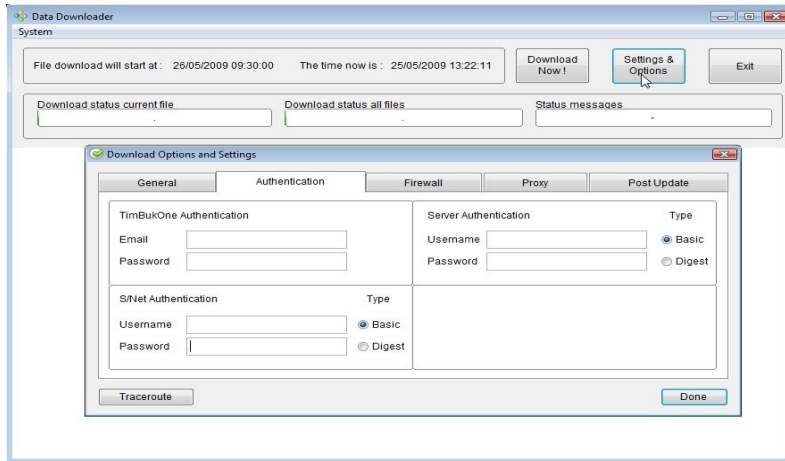

Double click on the Market Tracker download icon, situated on your desktop.
Press the **Enter** key or the **Esc** key on your keyboard or click on the mouse to stop the Auto-Start timer.

The following screen will appear.

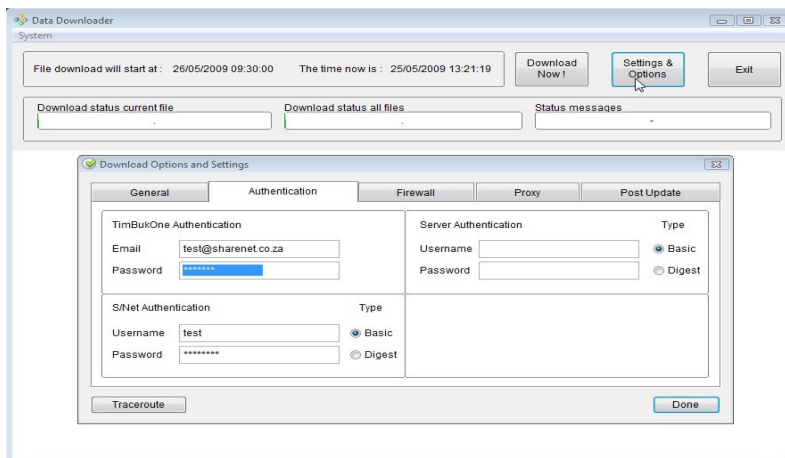

Click on **Settings and Options**.

Please refer to your Sharenet Welcome email that was sent to you, for your Timbukone Authentication Email Address and Password and your Sharenet Authentication Username and Password.

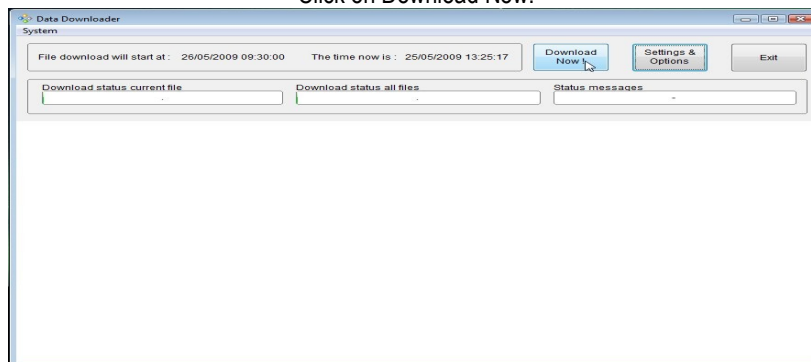

Enter the details into the above fields.

Click on **Done**.

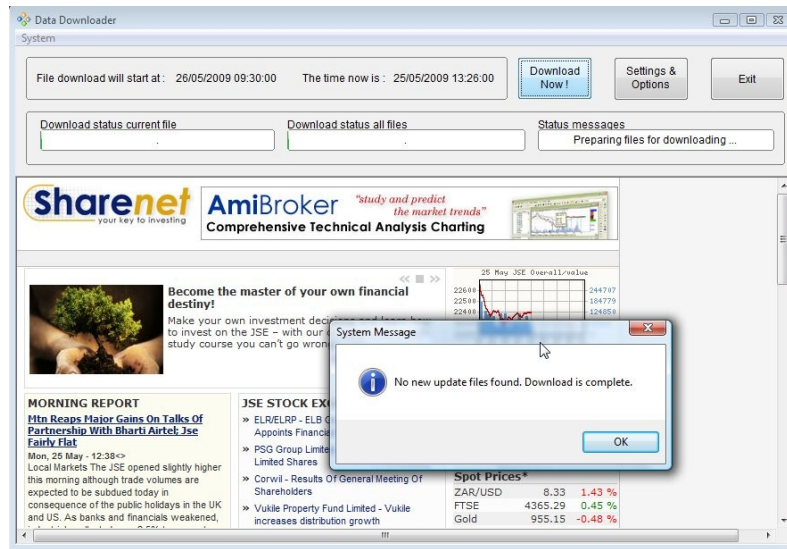

In order to download

Click on **Download Now!**

The Data will now begin to download; **green bars** will start to stream across your PC screen.

**Please note that if you do not download within a period of 30 days, the data on your cd will automatically lock
You would need to contact us to reset this application to continue as per normal.**

Whilst the download is taking place, you will be directed to the Sharenet web site, as can be seen on the above image.

Once the download is complete, the **System Message** screen will appear, click **OK**.
Click on **Exit** and close the download, by clicking on the (red icon) in the top right hand corner.
