### **Harmony – Rand Refinery**

Shareholders are referred to today's announcement by Rand Refinery (refer [http://www.randrefinery.com/media\\_press.htm](http://www.randrefinery.com/media_press.htm)), regarding a loan facility extended to it by certain of its shareholders, as a precautionary measure. This follows challenges encountered in the implementation of a new Enterprise Resource planning system at the refinery. Harmony Gold Mining Company Limited ("Harmony") confirms its participation in the loan facility.

Harmony owns a 10.38% stake in the Rand Refinery and accounts for it on the equity accounting method as an associate. Harmony expects to make a R125 million provision against its investment in Rand Refinery, which will impact fourth quarter results scheduled for release on Thursday, 14 August 2014 ([website:www.harmony.co.za/investors](http://www.harmony.co.za/investors)).
