Various presentations on Harmony's Papua New Guinean (PNG) assets to be shared at the PNG Mining and Petroleum Investment Conference in Sydney

Harmony wishes to advise that various presentations on its assets and projects in PNG, will be given at the 13th PNG Mining and Petroleum Investment Conference in Sydney today. One presentation will cover Harmony's wholly owned PNG assets and two presentations will be on the jointly owned assets with its joint venture partner. The presentations are available on the Company's website at <https://www.harmony.co.za/investors>.

Progress of the optimised pre-feasibility study (PFS) on the Golpu project is on track for completion and submission to both joint venture partners' boards by mid December 2014. Further information on the project will be released as and when board approval of the PFS has been obtained.
