Harmony group achieves fatality free quarter and exceeds annual production guidance

Johannesburg, Thursday, 13 July 2017. Harmony Gold Mining Company Limited (Harmony) is pleased to announce that Harmony's South African and Papua New Guinean operations achieved a milestone fatality free quarter during the June 2017 quarter.

Gold production for the 30 June 2017 financial year is estimated to be 1.088 million ounces, which exceeds production guidance of 1.05 million ounces. Underground recovered grade increased for a fifth consecutive year to 5.07g/t.

"We will continue to focus on increasing cash margins through safe, predictable and profitable production" said Peter Steenkamp, chief executive officer of Harmony.

Harmony will announce its operating and financial results for the year ended 30 June 2017 on Thursday 17 August 2017, during a live presentation at the Hilton Hotel, Sandton, at 9am SA time. For webcast and dial-in information on the day, please refer to www.harmony.co.za/investors.
