"I wish to extend my personal, heartfelt condolences to the families, colleagues and friends of the employees who lost their lives in mining accidents in FY19. Together with each and every employee, my aim is to ensure safe production, by preventing fatalities and embedding a proactive safety culture. It is important that every employee returns home each day - both safe and healthy", said Peter Steenkamp, chief executive officer.

"Throughout FY20, we will continue to focus on producing safe, profitable production, pursue safe, value accretive acquisitions and strengthen our cash flows. Value - rather than volume - will translate to shareholder returns in the long term", Steenkamp concluded.
