RESULTS OF PLACING

Harmony Gold Mining Company Limited ("**Harmony**" or the "**Company**") is pleased to announce the successful completion of the placing announced yesterday the ("**Placing**").

A total of 60,278,260 new ordinary shares in Harmony have been placed with existing and new institutional investors (the "**Placing Shares**") at a price of ZAR57.50 per share (the "**Placing Price**"), raising gross proceeds of approximately US\$200 million (ZAR3.466 billion) (the "**Proceeds**"). The proceeds of the Placing will be used by the Company to discharge the US\$200 million consideration to acquire AngloGold Ashanti's South African assets, Mponeng mine and Mine Waste Solutions. J.P. Morgan Securities plc acted as Sole Global Coordinator and Joint Bookrunner (the "**Sole Global Coordinator**") and Absa Bank Limited (acting through its Corporate and Investment Banking division) acted as Joint Bookrunner (together with J.P. Morgan, the "**Joint Bookrunners**") in connection with the Placing.

The Placing Shares being issued represent, in aggregate, approximately 11.1 per cent of the Company's issued ordinary share capital before the Placing. The Placing Price represents a discount of 5.4 per cent to the closing share price on 24 June 2020 and a 3.5 per cent discount to the 30 day VWAP, which complies with Section 5.52 of the Listings Requirements of the JSE Limited ("**JSE**"). The Placing Shares, when issued, will rank *pari passu* in all respects with the existing Harmony ordinary shares, including the right to receive all dividends and other distributions declared, made or paid after the date of issue thereof.

An application will be made to the JSE Limited for the listing of the Placing Shares. Subject to approval by the JSE, listing and trading (the "**Admission**") of the Placing Shares are expected to occur on the JSE

on or around 30 June 2020 (or such later date as may be agreed between the Company and the Bookrunners) and dealings in the Placing Shares will commence at the same time. The Placing is conditional upon, amongst other things, Admission of the Placing Shares on the JSE becoming effective and the placing agreement between the Company and the Bookrunners not being terminated in accordance with its terms prior to Admission.

Following Admission becoming effective, the Company's issued share capital will comprise 603,142,706 ordinary shares. This figure may be used by shareholders in the Company as the denominator for the calculations by which they will determine if they are required to notify their beneficial interest in, or a change to their beneficial interest in, the Company's ordinary shares under Section 122 of the Companies Act (No.71 of 2008, as amended).

Placing Shares purchased by persons outside of the United States (as defined by Regulation S under the Securities Act) must not be offered or sold into the United States or to any U.S. Person (as defined by Regulation S under the Securities Act) or deposited into the Company's American depositary share programme until at least 40 days after settlement of the Placing.

Harmony has agreed, subject to certain exclusions, to a lock-up of 90 days from settlement of the Placing.

Harmony's chief executive officer, Peter Steenkamp, commented: "This successful placement is a validation of our investors' support for Harmony's stated strategy to safely grow quality ounces and increase margins, specifically through the acquisition of the Mponeng and Mine Waste Solutions assets. We intend replicating our success in South Africa, with decades of acquiring, operating, and extending the life of mines, and extracting additional value from mining operations."

Information to Distributors

Solely for the purposes of the product governance requirements contained within: (a) EU Directive 2014/65/EU on markets in financial instruments, as amended (“**MiFID II**”); (b) Articles 9 and 10 of Commission Delegated Directive (EU) 2017/593 supplementing MiFID II; and (c) local implementing measures (together, the “**MiFID II Product Governance Requirements**”), and disclaiming all and any liability, whether arising in tort, contract or otherwise, which any “manufacturer” (for the purposes of the MiFID II Product Governance Requirements) may otherwise have with respect thereto, the Placing Shares have been subject to a product approval process, which has determined that such securities are: (i) compatible with an end target market of retail investors and investors who meet the criteria of professional clients and eligible counterparties, each as defined in MiFID II; and (ii) eligible for distribution through all distribution channels as are permitted by MiFID II (the “**Target Market Assessment**”). Notwithstanding the Target Market Assessment, distributors should note that: the price of the Placing Shares may decline and investors could lose all or part of their investment; the Placing Shares offer no guaranteed income and no capital protection; and an investment in the Placing Shares is compatible only with investors who do not need a guaranteed income or capital protection, who (either alone or in conjunction with an appropriate financial or other adviser) are capable of evaluating the merits and risks of such an investment and who have sufficient resources to be able to bear any losses that may result therefrom. The Target Market Assessment is without prejudice to the requirements of any contractual, legal or regulatory selling restrictions in relation to the Placing.

Furthermore, it is noted that, notwithstanding the Target Market Assessment, the Joint Bookrunners will only procure investors who meet the criteria of professional clients and eligible counterparties.

For the avoidance of doubt, the Target Market Assessment does not constitute: (a) an assessment of suitability or appropriateness for the purposes of MiFID II; or (b) a recommendation to any investor or group of investors to invest in, or purchase, or take any other action whatsoever with respect to the Placing Shares.

Each distributor is responsible for undertaking its own target market assessment in respect of the Placing Shares and determining appropriate distribution channels.

NOTWITHSTANDING ANYTHING IN THE FOREGOING, NO PUBLIC OFFERING OF THE PLACING SHARES IS BEING MADE BY ANY PERSON ANYWHERE AND THE COMPANY HAS NOT AUTHORISED OR CONSENTED TO ANY SUCH OFFERING IN RELATION TO THE PLACING SHARES.
